

SRISHTI SONI

Full Stack Developer

☎ 91 7489500478 [r srishtisoni7541@gmail.com](mailto:srishtisoni7541@gmail.com) [q https://github.com/srishtisoni7541](https://github.com/srishtisoni7541) Bhopal

SUMMARY

Enthusiastic and detail-oriented Full Stack Developer with hands-on experience in building responsive web applications using the MERN stack (MongoDB, Express.js, React.js, Node.js). Strong understanding of RESTful APIs, authentication, and database design. Passionate about solving real-world problems with clean and scalable code. Quick learner with a knack for adapting to new technologies and collaborative team environments.

EDUCATION

B.tech in Computer Science

Sagar Institute of Research and Technology Excellence, Bhopal

CGPA

7.5 / 10.0

📅 09/2022 ☐ Present

EXPERIENCE

Full stack Developer Mentor

Sheriyans coding School

📅 09/2024 ☐ Present 📍 Bhopal

Sheriyans Coding School is one of the leading coding institutes based in Bhopal, dedicated to empowering students with industry-relevant skills in software development. The institute offers high-quality training in domains such as **Python, Data Structures & Algorithms (DSA), Machine Learning, Java**, and **Full Stack Web Development**. Known for its hands-on teaching approach, real-world projects, and experienced mentors, Sheryians has helped thousands of aspiring developers build a strong foundation and launch successful careers in tech.

- Mentored and guided students in building full stack web applications using **MERN Stack**.
- Assisted in debugging code, reviewing project structure, and explaining best practices.
- Conducted live sessions and 1☐1 doubt solving for React, Node.js, MongoDB, and API integration.
- Collaborated with the core team to enhance student learning outcomes and build real-world project clones.
- Encouraged clean code principles, responsive design, and Git/GitHub workflows.

Hackathons

- Reimagine (Frontend-based Hackathon)
Reached the 3rd round in a competitive hackathon focused on frontend technologies
- Ideathon @ Jagran Lakecity University
Selected among the Top 7 teams. Theme: Healthcare and Wellness. Contributed to ideating solutions around medical tech innovation.
- Hackathon by Sheryians Coding School & Bansal Institute
Finalist. Built a healthcare & wellness app with features like AI-based symptom checker, pill detector, and organ donation system.
